

Privacy policy-Snapchat

Snap Inc. is a camera based company. Products and services, including Snapchat, Bitmoji, Spectacles, advertising, commerce, and others related to this Privacy Policy, provide fast and fun ways to express ourselves, live in the moment, learn about the world, and feel good together!

There are three basic categories of information they collect:

- Information You Provide.
- The information they get when you use their services.
- Information they obtain from third parties.

For example, many of their services require us to create an account, and then some important details about us are collected, such as our name, username, password, email address, phone number and date of birth. We may also be asked to provide a profile photo or a Bitmoji avatar.

They also collect all kinds of information regarding the storage of images, data on the people you relate to on snapchat, and many other data related to location, birthday.

After all, any application needs this data to be able to function normally.
